*All dates, times, and activities are subject to change due to weather, funding, scheduling conflicts, or other unforeseeable circumstances. We will send out flyers prior to each event with updated details.

Participation

In order to ensure that this program is safe and fun for everyone, we ask that each participant fill out a Participation Form prior to attending the activities. Forms can be picked up at Parks & Recreation, or can be printed from our website and mailed in. Once the Participation Form is completed, you will be added to our mailing list to receive flyers or emails about each event.

Registration

Registration is required for each event so that we know how many participants to expect. Once you have turned in a Participation Form and receive an informational flyer about the next event, you may register for that event by calling the Parks & Recreation office to let us know that you plan on attending. Space for some nights is limited to a certain number of participants, so call early! Funds for some nights are also limited to the earliest callers.

In May enjoy our spring dance - outdoors for the 1st time ever!

Cost

This program is made possible by a grant from the Chelan-Douglas Developmental Disabilities Program. This money allows us to provide the social program services to participants at little or no cost. Occasionally there will be optional costs for participants, and these will be noted on the event flyer.

Supervision

Our staff to participant ratio is approx. 1:10. Our staff provide leadership for the activity but are unable to provide attendant care (feeding, toileting assistance, giving medications, transfers, etc.). Care-providers should accompany participants who need personal care. Participants who have behavioral issues may be asked to participate with a care-provider in attendance. Registration fees for care-providers may be waived or will vary depending on the activity.

New Buds Program

New!

New Buds program requires an additional form with interest survey. Activities are scheduled throughout the year and participants will be assigned to the same small group each time based on common interests. The New Bud nights are designed specifically to encourage deeper friendships among participants and create a place where appropriate social behavior can be taught and practiced.

Space is limited for some events, so call as soon as you receive each flyer!!
